IBM Certification: Ankita Mandal Web Development Essentials

2 sources

This document represents an **official certificate of completion** awarded to **Ankita Mandal** for finishing a foundational course in **web development**. The curriculum focused on the essential coding languages of **HTML, CSS, and JavaScript**, providing a base for beginner programmers. This educational achievement was facilitated through the **IBM Developer Skills Network** in collaboration with **Rungta University**. To ensure the document's validity, it features **signatures from university and industry leadership**, alongside a **QR code** for digital verification. Issued in **December 2025**, the credential serves as formal recognition of the recipient's successful engagement with the technical training.
